IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF NEW JERSEY

MARC ISENBERG, JASON DELLISANTI, CARMEL MCCOLGAN, PATRICK STACK, PETER SCHUMAN, KEVIN LIM, STEVEN KOSOFF, HENDRICK MOY, ELNUR ALIYEV, BARBARA JOHNSON, TERRY STINSON, PATRICK KEELEY, BOB LOFTUS, NICHOLE FICK, MARK CHATWIN, GIOI NGUYEN, MITHUN TALREJA and RAJIB DAS on behalf of themselves and the Putative Class,., Plaintiffs, v. Toyota Motor Sales, U.S.A., Inc., Toyota Motor North America, Inc., and Toyota Motor Corporation, Defendants.	CIVIL ACTION NO: 2:22-cv-05673-JXN-ADS CLASS ACTION **SECOND ORDER AMENDING SCHEDULE FOR NOTICE OF PRELIMINARY APPROVAL OF CLASS ACTION SETTLEMENT AND ACCOMPANYING DEADLINES**

THIS MATTER having been opened to the Court jointly by Plaintiffs Marc Isenberg, Carmel McColgan, Peter Schuman, Kevin Lim, Hendrick Moy, Elnur Aliyev, Barbara Johnson, Nichole Fick, Mithun Talreja, Rajib Das, Edward Feltham, John Daniels, Carole Brown, and Susan Spiegel acting through their counsel, Nagel Rice, LLP ("Class Counsel"), and Defendants, Toyota Motor Sales, U.S.A., Inc., Toyota Motor North America, Inc., and Toyota Motor Corporation (collectively

"Toyota" or "Defendants"), to amend the schedule for notice and accompanying deadlines associated with preliminary approval of the class action settlement; and

The Court has granted preliminary approval of the proposed settlement and entered an Order granting same and setting forth a schedule for the notice plan and accompanying deadlines on August 20, 2026 (ECF No. 125);

On September 21, 2026, the Court granted the parties' amended scheduling order, changing the notice date from September 17, 2026 to October 16, 2026. ECF No. 128. However, Class Counsel and Defendants, having conferred with the court-appointed Settlement Administrator, Epiq Settlement Administration ("Epiq"), received substantially more consumer data records than originally anticipated. As a result, additional review, de-duplication, and processing are required before notice can be disseminated to Class Members, and additional time is needed to finalize the notice materials and claim forms; and

As such, counsel for the parties respectfully request a brief extension of the deadline for dissemination of notice and accompanying deadlines;

THEREFORE, IT IS on this _13th day of _October_, 2026 HEREBY ORDERED as follows that:

The Court hereby approves the following second amended schedule for purposes of the administration of notice to the Class of the proposed settlement and final approval:

a. Notice Disseminates to Class – **November 23, 2026**

b. Plaintiffs' Motion for Attorneys' Fees – **December 7, 2026**

Defendants' Opposition (if any) – **January 12, 2027**

Plaintiffs' Reply (if any) – **January 26, 2027**

c. Deadline for Opt-Outs and Objections – **January 4, 2027**

d. List of Opt-Outs be Provided to Court and Counsel – **January 11, 2027**

e. Deadline to file Motion for Final Approval – **January 15, 2027**

f. Final Approval Hearing – **February 25, 2027 at 11:00 a.m. ET**

The schedule set forth herein supersedes that set forth in the Court's August 20, 2026 Preliminary Approval Order (ECF No. 125) and September 21, 2026 Amended Schedule (ECF No. 128). The Court may, for good cause, extend, but not reduce in time, any of the deadlines set forth in this Preliminary Approval Order without further notice to Class Members.

BY THE COURT:

Hon. Julien Xavier Neals
United States District Judge
