BASIC INFORMATION

1. Why is this Notice being provided?

A Court authorized this Notice because you have the right to know about the Settlement of this class action lawsuit and about all of your rights and options before the Court decides whether to grant final approval to the Settlement.

This Notice explains the lawsuit, the Settlement, your legal rights, what Settlement benefits are available, who is eligible for the Settlement benefits, and how to get them.

The lawsuit is known as *Isenberg, et al. v. Toyota Motor Sales, U.S.A., Inc., et al.*, Case No. 2:22-cv-05673-JXN-ADS ("lawsuit"). The individuals who filed this lawsuit are called the "Plaintiffs" and/or "Class Representatives" and the companies sued, Toyota Motor Sales, U.S.A., Inc. ("TMS"), Toyota Motor North America, Inc. ("TMNA"), and Toyota Motor Corporation, are called the "Defendants."

2. What is this lawsuit about?

A class action lawsuit was filed against Toyota Motor Sales, U.S.A., Inc., Toyota Motor North America, Inc. and Toyota Motor Corporation, together the "Defendants" or "Toyota." The lawsuit alleges that the Subject Vehicles are equipped with hybrid system power cables to the vehicles' rear motor generators affixed with connectors ("MGR Connectors") that are defective because under certain conditions they may corrode and/or fail prematurely (the "Condition").

Defendants deny the allegations and legal claims. Defendants maintain that the Subject Vehicles are not defective and that the Subject Vehicles and their components were properly designed, manufactured, distributed, marketed, advertised, warranted, and sold. Defendants assert that they did not violate any warranties, statutes, or laws.

3. Why is there a Settlement?

In a class action lawsuit, one or more persons, called class representatives, sue on behalf of other people who have similar legal claims. All these people are considered to be part of a class, or class members. One court resolves the issues for all class members, except for those class members who take the necessary steps to timely exclude themselves from the class.

The Court has not decided in favor of Plaintiffs or Defendants in this lawsuit. Instead, Plaintiffs and Defendants have agreed to a Settlement. Plaintiffs and Defendants believe the Settlement is best for the Class because of the Settlement benefits available and the risks and uncertainty associated with continuing the lawsuit.

The Court will be holding a hearing to approve or deny the Settlement before it becomes final.

WHO IS IN THE SETTLEMENT?

4. Am I a Class Member?

You are a Class Member if you are a person, entity, or organization who at any time as of the date of entry of the Preliminary Approval Order, August 19, 2026, own or owned, purchase(d) or lease(d) a Subject Vehicle distributed for sale or lease in any of the fifty States, the District of Columbia, Puerto Rico, and all other United States territories and/or possessions.

Subject Vehicles include the following models:

- 2019-2024MY RAV4 HV AWD
- 2021-2024MY RAV4 Prime HV
- 2020-2024MY Highlander HV AWD
- 2021-2024MY Sienna HV AWD
- 2021-2024MY Venza HV
- 2022-2024MY Lexus NX 350h
- 2022-2024MY Lexus NX 450h+
- 2023-2024MY Crown

SETTLEMENT BENEFITS – WHAT YOU GET

6. What does the Settlement provide?

The Settlement provides (1) extended warranty coverage for the HV Floor Under Wire Harness and Rear Traction Motor Cable; and (2) a reimbursement for out-of-pocket costs in connection with a prior repair of the Condition, towing, storage, and reasonable rental vehicle costs.

Extended Warranty Coverage: The Settlement provides for extended warranty coverage for the HV Floor Under Wire Harness and Rear Traction Motor Cable for a period of ten (10) years / unlimited miles (*i.e.*, no mileage limitation for a maximum of ten years) with important caveats described below.

You do not need to submit a Claim Form to receive the Extended Warranty.

If you are a Class Member, you must take your vehicle to an authorized Toyota or Lexus dealer, by **September 30, 2028** (except for the Sienna model vehicles), for a technician to perform an inspection

to obtain the extended warranty coverage and determine whether the vehicle has any of the related conditions.

If the technician finds the vehicle has experienced the Condition, the vehicle will be repaired at no cost by replacing the affected component(s) with new component(s).

If the technician finds the vehicle has not experienced the Condition or related issues, the vehicle's MGR Connector will be cleaned, an enhanced waterproofing will be applied to the harness, and an improved connector cover will be installed.

The Extended Warranty is transferable during its coverage period.

The Extended Warranty is subject to the same terms and conditions found in the New Vehicle Limited Warranty Section of the Owner's Warranty Information booklet.

Vehicles with titles marked flood-damaged, salvage titles, total mileage, true mileage unknown, or similar title are not eligible for the Extended Warranty Coverage.

If your vehicle is undergoing repair or replacement and the repair exceeds six (6) hours or has to stay overnight, you may also be eligible for a complimentary Loaner Vehicle. Loaner Vehicles are available in connection with the repair (not inspection) appointment until the day the work is completed, and are subject to availability at respective dealer locations.

Reimbursement for Out-of-Pocket Expenses: Unless a repair was previously reimbursed, a reimbursement may be available if you paid out-of-pocket costs for parts and labor associated with repairing the Condition. A reimbursement may also be available if you paid out-of-pocket costs for towing and storage, and for related reasonable rental vehicle costs.

To receive a reimbursement, you must provide documentation showing Proof of Repair Expenses or Proof of Other Out-of-Pocket Expenses.

Proof of Repair Expenses includes original, legible copies, or a digital record, such as an electronic receipt or invoice, of a repair order or similar document that identifies a repair, and proof of the money you paid for the repair.

Proof of Other Out-of-Pocket Expenses includes original, legible copies, or digital records, such as an electronic receipt or invoice, of a bill or invoice that identifies towing costs and/or rental car costs, as well as proof of the money you paid for the same.

You may only seek reimbursement for repairs that were not previously reimbursed by Toyota.

7. How do I get the Extended Warranty?

To qualify for the Extended Warranty, you must present your vehicle for inspection to an authorized Toyota or Lexus dealer by **September 30, 2028** (except for the Sienna model vehicles) in order to receive the extended warranty coverage for the HV Floor Under Wire Harness and Rear Traction Motor Cable to ten (10) years/unlimited miles, *i.e.*, no mileage limitation for a maximum of ten (10) years, from the vehicles' Date of First Use ("DOFU").

If you do not present your vehicle for inspection by **September 30, 2028** (except for the Sienna model vehicles), your warranty coverage will remain at eight (8) years or 100,000 miles, whichever occurs first.

Sienna owners will have more time (i.e., past September 30, 2028) to present your vehicle for inspection to an authorized Toyota or Lexus dealer as the Limited Service Campaign for affected Sienna vehicles has not yet officially launched due to parts availability issues.

You do not need to submit a Claim Form to receive the Extended Warranty.

8. How do I submit a Claim Form for reimbursement?

To receive reimbursement, you must have previously paid out-of-pocket costs associated with repairing the Condition, including related costs for towing, storage, repair, and reasonable rental expenses.

You must submit a timely and valid Claim Form to receive the reimbursement as described above. Your Claim Form must be submitted online at www.ToyotaConnectorSettlement.com by **March 27, 2028**, or mailed to the Settlement Administrator at the address on the Claim Form, **postmarked** by **March 27, 2028**. Claim Forms are also available at www.ToyotaConnectorSettlement.com or by calling 1-877-327-7155 or by writing to:

9. What type of supporting documentation must I submit with my Claim Form to receive a cash reimbursement?

To prove out-of-pocket payment of a repair, you must submit genuine and legible copies of an electronic receipt or invoice, of a repair order or similar document that identifies a repair, and proof of the money you paid for the repair.

To prove out-of-pocket payment of an expense, you must submit genuine and legible copies of an electronic receipt or invoice, of a bill or invoice that identifies towing costs and/or rental car costs, as well as proof of the money paid by you.

It may take time for the Settlement to be approved and become final so please be patient. Information and updates about the lawsuit will be available at www.ToyotaConnectorSettlement.com.

12. What am I giving up by staying in the Class?

Unless you exclude yourself, you will remain in the Class. By staying in the Class, you will be allowed to participate in the Settlement benefits to which you are entitled. By staying in the Class, you will give up your right to sue, continue to sue, or be a part of any lawsuit, or pursue any legal claim against Defendants and any Released Parties relating to the legal claims in this lawsuit. This Settlement does not release any legal claims for personal injury, wrongful death, or actual physical property damage (other than damage to the vehicle arising from the alleged defect).

Section VII of the Settlement Agreement describes the Releases, released claims, and Released Parties, in necessary legal terminology, so please read this section carefully. Class Counsel will ask the Court to award reasonable attorney fees in an amount up to 8% of the settlement value to the Class, and expenses, and a motion for attorneys' fees will be filed at a later date. Toyota, and Class Members, may object to Class Counsel's ultimate request for attorneys' fees

and costs. Toyota does not endorse Class Counsel's position on the valuation amount of the settlement or that Class Counsel is entitled to a percentage of the value of the settlement. If approved by the Court, Class Counsel fees and expenses will be paid by Defendants and will not reduce any benefits available to Class Members.

Class Counsel's motion for fees and expenses will be made available for review at the Settlement Website, www.ToyotaConnectorSettlement.com, after it is filed with the Court.

- Your lawyer must enter a Notice of Appearance by **January 4, 2027**.

20. What is the difference between objecting and asking to be excluded?

Objecting is telling the Court that you do not like something about the Settlement. You can object only if you stay in the Class. Excluding yourself is telling the Court that you do not want to be part

of the Class and the Settlement. If you exclude yourself, then you cannot object because you are no longer part of the Settlement.

FAIRNESS HEARING

21. When and where will the Court decide whether to approve the Settlement?

The Court will hold a Fairness Hearing at **11:00 a.m. ET on February 25, 2027**, in Courtroom 5D of the United States District Court for the District of New Jersey, Newark Vicinage, Martin Luther King Bldg. & U.S. Courthouse, 50 Walnut Street, Newark, NJ 07101. At this hearing, the Court will consider whether the Settlement is fair, reasonable, and adequate. If there are objections, the Court will consider them. The Court may also decide how much to pay Class Counsel and whether to approve the service awards. After the hearing, the Court will decide whether to approve the Settlement. We do not know how long it will take for the Court to make its decision.

If there are objections that were filed by the deadline, the Court will consider them. If you file a timely objection, and you (or your lawyer) ask to speak at the hearing, the Court may hear objections at the hearing.

Note: The date and time of the Fairness Hearing are subject to change without further notice to the Class. The Court may also decide to hold the hearing via video conference or by telephone. You should check the Settlement Website www.ToyotaConnectorSettlement.com to confirm the date and time of the Fairness Hearing have not changed.

22. Do I have to come to the hearing?

No. Class Counsel will answer questions the Court may have. However, you are welcome to come at your own expense. If you file an objection, you do not have to come to Court to talk about it. Yes. If you do not exclude yourself, you may ask the Court's permission to speak at the hearing. If you intend to appear at the Fairness Hearing personally or through your lawyer, you or your lawyer must file with the Clerk of the Court and serve on all counsel designated above a notice of intention to appear at the hearing.

Notice of Intention to Appear:
